

What if...?

**This is that one day, The one that you always say If it ever came along, You'd never let it get away
Just like a last dance, There's never a second chance To hold on, so hold on, What if this is that one day?**

Out of the following list of your teammate's job positions, write each one's top 3 frustrations or challenges that each position or person would have. Do not write your own frustrations, only teammate's.
